

Central London CTC - Secretary's Report – 2010/11

This year we have seen growth in both 1* and 2* sections. 1* attendance has increased for the same number of rides. However, 1* are still struggling for leaders.

Our 2* rides remain very successful. Attendances are up slightly on last year. We have reintroduced 2*/3* rides with some success. There is demand among some 2* riders for some more challenging rides, but at the same time, there is a feeling that the 3* rides are too much of a jump. As always the challenge is to find sufficient leaders for these rides, in addition to the 2* rides. The committee feel that we must first produce a full 2* calendar of rides before adding 2*/3*.

3* attendance has fallen due to a fall in the number of rides on the list. Average attendance has actually increased. John McColl joined the committee as the 3* and 4* coordinator shortly before production of the last rides list.

Once again we were affected by adverse weather in November 2010, though for a shorter period than the preceding winter. Only 9 rides were cancelled this year compared with 24 last year.

There have been a number of foreign tours this year. We have had two very successful Easter Tours this year, one in France, the other to Yorkshire. There are already strong bookings for next year's Easter tours.

It has been some years since the club organised a weekend trip. Christine Johnson organised a weekend to Canterbury in October that was very well attended, and I am sure it won't be the last.

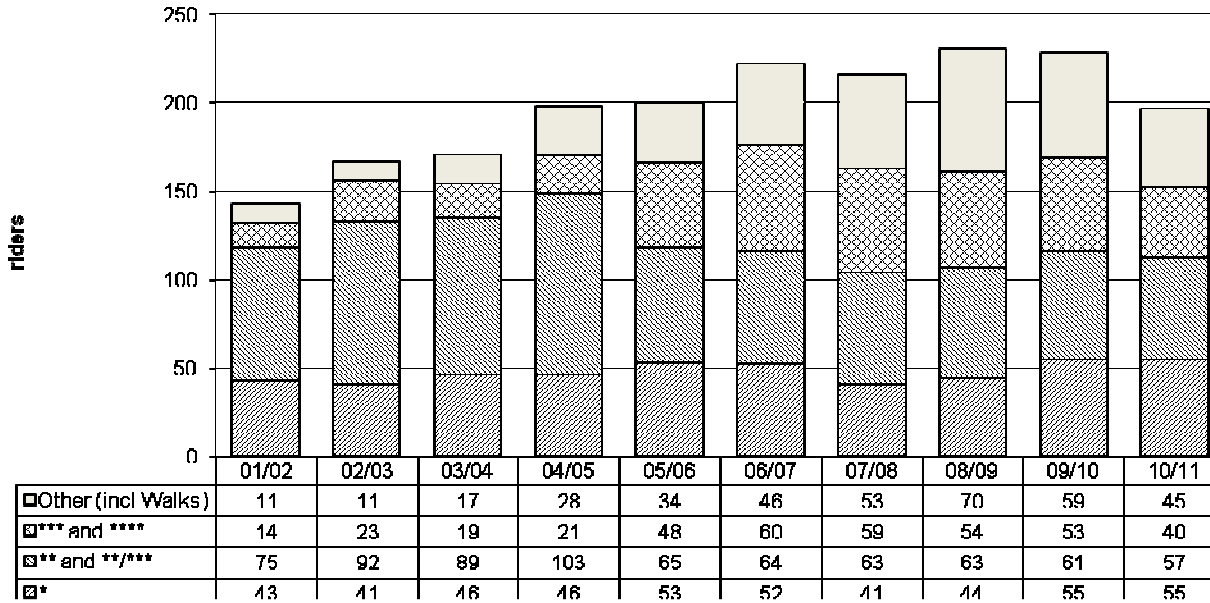

I have to mention the intrepid exploits of one of our members; Kumi Tashiro has cycled across Europe from the UK to the Turkey and the Black Sea.

Robin Hamilton is standing down as our treasurer after 10 years in post. It isn't a glamorous job, but it is important. Robin has meticulously reconciled monies and rides, reminding leaders to pass funds on. He leaves the funds in excellent health, and on behalf of the club and committee I would like to thank Robin for all his work.

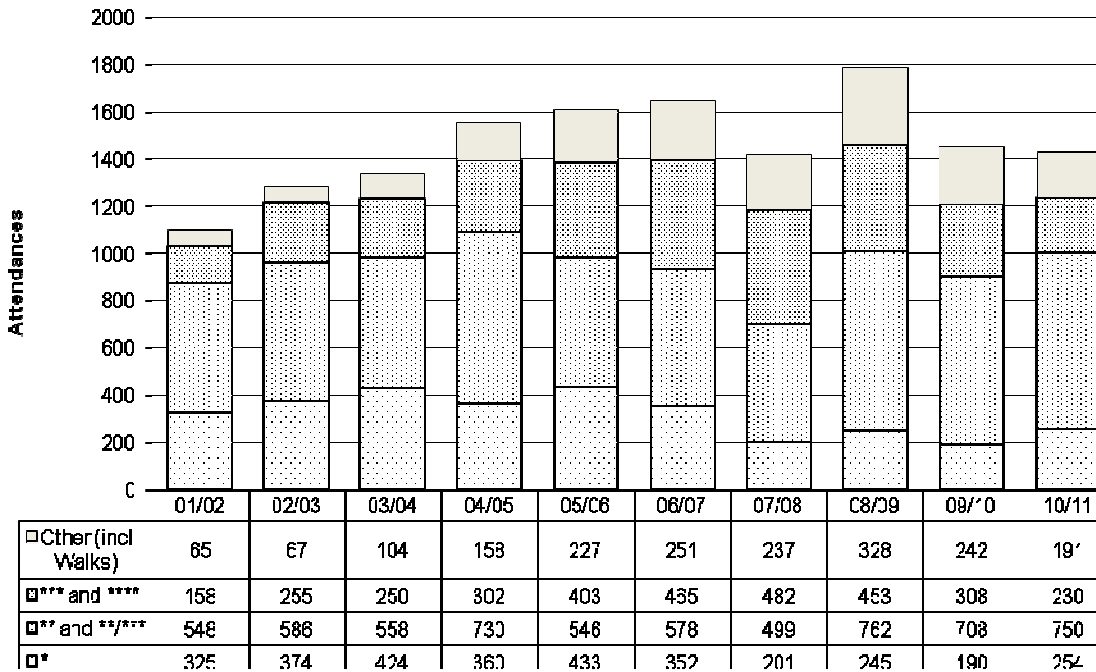

I too am standing down as secretary. It has been a great privilege, and I would like to thank everyone for the opportunity and their support. From next year, in line with CTC policy, the role will be split between the Chairman and Secretary. I wish my successors well in their new roles.
