3\*/4\* The co-ordinator reported no problems with compiling a list of rides. The split between softer 3\* rides and an alternative 4\* appears to be working well.

There will be extra evening laps of Regent's Park offered in the next list.

## 6. Tours

Doddington weekend.....x3 paid, x10 names.....x18/19 places.....x17 firm bookings needed if tour to go ahead. The committee agreed to meet the difference in cost if there were 17 confirmed bookings. So 17x£50 is £850. Deposit required £890. Therefore the club agrees to pay £40 if not fully booked.

Dieppe weekend It was requested that Richard advertise this tour on the website.

### Leader issues:-

It was proposed the bank of rides could be made more visible and accessible on the website therefore encouraging new leaders to use a "ready made" ride if they were not confident.

The possibility of mentoring/shadowing new leaders was discussed.

Regular riders could be highlighted from the database and then actively encouraged by ride coordinators to contribute to the programme

Christine will change the wording in the Rides List re Chance to lead and present at the next meeting for discussion/approval.

Rides/Walks debate will be discussed at the next meeting.
