2. Minutes of the last meeting

4. Finances

Colin confirmed that the payment to Travelodge in respect of the Cambridge tour will be refunded to the Club in about 10 working days.

Derek presented the financial report for the period 1 October 2019 to 18 May 2020. There is currently a deficit but, when we get the money back from Travelodge (Cambridge tour), this will clear.

We have not received a grant from CUK and we agreed we wouldn't push for the grant.

5. Rides list

(

We can't offer rides at present. Colin reiterated the Cycling UK guidance which allows us to ride with one other person who is not from your household.

We discussed publishing a list of rides starting within 10 miles from Central London.

Christine said that she thought we should use the Forum to pair up for rides out. Richard said he would include that suggestion in an email to members.

It was noted that Bike Week is 6-14 June this year.

6. Tours and weekends

All this year's tours have been cancelled.

7. Central London CTC clothing

Richard reported that he would email Club members regarding the Club shop reopening very soon. The supplier no longer required a minimum order.

8. Welfare

Nothing to report. We discussed the obituary for Fuzz and we discovered, in the course of the meeting, that it was on the CUK website. Paul K will get in touch with the member who wrote it.

9. Website

Nothing to report

10. Next AGM

We agreed that we would think about how best to do this. Zoom was suggested but we weren't sure whether it would cope with a large number of people.
